Red Day Celebration

Dear Parents,

We are excited to announce that our grade Tulip to II will be celebrating "Red Day" on Monday 8th April 2024. This event aims to introduce our young learners to the color red in a fun and engaging way.

To make this day memorable, we kindly request that you send your ward dressed in red attire. Additionally, please send along one red fruit and one red object with your child. This could be a red apple, a red toy, or any other red item of your choice.

The "Red Day" celebration will include various activities and games that will help reinforce the concept of the color red.

Thank you for your continued support.

Warm Regards,

7665477888 | Pratap Nagar, Jaipur- 302033
